New Plymouth Is Shown Today

Revolutionary "Floating-Power" Marks Milestone in Motor Car History

Ticket Tariff For Olympiad Is Announced

Home-makers Bureau

Brother-in-Law Of Miss Maxwell Dies

The new Plymouth is now being unveiled in the salesrooms of Paull & Murray, Dodge Brothers and Plymouth dealers, at 1420 Cabrillo avenue, and partly because of its wide price appeal, but principally because of its extraordinary design, this car is attracting much attention.

Application forms for tickets to the games of the 10th Olympiad to be held in Los Angeles from July 30 to August 14, 1932, are now being issued. Several hundred thousand special booklets containing the complete program of events and ticket information are ready for distribution to applicants. For over a year the local committee has been at work with the official Olympic groups throughout the world in arranging the 135 separate programs of events.

SALAD DRESSING AND COCKTAIL SAUCE
By Julia Lee Wright
If you would like to make your own Thousand Island Dressing and Cocktail Sauce, you will find the recipes below easily and inexpensively made. They both go well with any kind of fish mixture, avocados, and most vegetable combinations.

Miss Esther Z. Maxwell, superintendent of the Jared Sidney Torrance Memorial hospital, received word Tuesday night of the death of her brother-in-law, W. A. Cook, of Washington, Iowa, that morning.

LEN MURRAY
Member of the firm of Paull & Murray, who are announcing a new model Plymouth today.

The aim of the committee has been to provide a balanced program and a scale of prices within the reach of everyone, with special consideration to children. Three types of tickets will be sold, the Olympic Stadium pass, a season ticket for several of the individual sports and a ticket for single programs. Because of the historic character and educational value of the Olympic Games, greatly reduced prices on all season tickets will be granted to children under 16 years of age, providing they are purchased with adult tickets.

Thousand Island Dressing
1 cup mayonnaise
4 tablespoons chili sauce
1 tablespoon chives or onion
1 teaspoon vinegar
1 tablespoon chopped green pepper
1 tablespoon chopped red pepper
1 teaspoon paprika
3 tablespoons catsup
Add chili sauce, chives, catsup, peppers, paprika and vinegar to mayonnaise. If peppers are not in season use pimientos and parsley.

Nothing Left But the Steering Wheel
Yes, but he can still smile for his auto insurance will reimburse him for his loss. Ask us about our Combination Policy which includes Fire, Theft, Collision, Property Damage, and Liability.

fundamental aspect. It embodies a new engineering principle which has been called "Floating Power," and which, it is stated, eliminates all feeling of engine vibration in the new Plymouth.

Mailed Next Year
A season ticket for boxing events to be held in Olympic Auditorium, August 9-13, inclusive, will cost \$12 for adults and \$6 for children under 16 years and will admit the holder to all matches—mornings, afternoons and evenings.

Cocktail Sauce
1 cup catsup
2 tablespoons lemon juice
Dash Worcestershire Sauce
1/4 cup finely chopped green pepper
1/2 cup finely chopped celery
1/2 teaspoon grated horseradish
Mix cocktail ingredients with catsup sauce before serving, or arrange in layers in glasses.

SAY FOLKS!
Don't forget that Fred's Poultry Market is the best place to get the finest chickens and eggs for your holiday picnic or dinner!

In Floating Power the Plymouth engineers developed a two-point (front and rear only) suspension allowing the engine to rock or oscillate freely and thus dissipate its own vibration. Inch thick blocks of live rubber serve not only as pivots at the mounting points, but also as cushions.

Grandstand seats for rowing events to be held August 9-13, inclusive, at Long Beach Marine Stadium, will be \$14 for adults and \$7 for children. A season pass to the Swimming Stadium, in which the swimming, diving and water polo events will be held from August 6-13, inclusive, will cost \$15 for adults and \$7.50 for children.

Combined with Floating Power in the new Plymouth is the industry's recent innovation—free wheeling as standard equipment. Free wheeling is an accredited development. It is, however, an unlooked for thing that it should so quickly be incorporated in standard specifications of any car on the lowest price field.

Shifting, also, is refined in the new Plymouth by the design of the new transmission. It is called Easy-Shift transmission, because it permits shifting from second to high and back again at 35 or 40 miles per hour without clash of gears.

Hydraulic brakes and Safety-Steel bodies are also featured as specifications in low-priced car specifications. In power and speed the new Plymouth also is advanced. The new engine with an 85 A. C. rating of 21.03 horsepower actually develops 58 horsepower, which in road tests show absolute speeds of 65 to 70 miles an hour and pick-up from 0 to 40 in 9.7 seconds.

Other safety suggestions for the bathroom were recommended as follows: Vacuum cup devices to cushion the bath to lay towels on the bottom of the tub to prevent slipping. Electric light fixtures, warmers, vibrators, etc., should never be used in a tub. Use of gas heaters in bathrooms should be avoided because it doesn't take long to exhaust the oxygen in a small room.

NEW REPORTED AT HOSPITAL
Three babies, two girls and a boy, arrived at the Jared Sidney Torrance Memorial hospital this week. Mr. and Mrs. Carl Thomas, 708-C Sartori avenue, are parents of a daughter, born on June 27. Mr. and Mrs. Fred Fischer, 824 Madrid avenue, received a son on June 26, and Mr. and Mrs. Herbert Finlay, of Redondo, a girl on June 27. Mr. and Mrs. E. J. Rinker, 1811 Gramercy avenue, have established their baby son at their home, 1811 Gramercy avenue. He arrived on June 18.

SAFETY BATHTUBS Prevent "Slips"
SACRAMENTO—If you're building a new home, be sure it is equipped with a "safety bathtub," recommends the state department of industrial relations. The "safety tub" is built two inches lower than other models to make it easier for the bather to get in and out. It has a flatter bottom, straight sides, and just enough slope to drain out the water.
